

GSA 2010-2011 PLAYER/PARENT AGREEMENT

Following try-outs, selected players will be offered positions on the competitive teams. This agreement must be completed and returned to the club registrar along with a \$250 deposit to hold the player's position on a GSA competitive team. The \$250 deposit will be credited to the total club fees for the soccer year. This fee is non-refundable.

On July 15, 2010, all players competing on GSA teams will be carded to the club through GSA. A player remains registered with GSA until the end of State Cup (mid-June) 2011. Any club transfer requires a release of this card from the team and club. The player and parents or legal guardian must be in good standing including the completion of their financial and volunteer responsibilities for a club transfer to be considered.

COMPETITIVE TEAMS require the highest level of player skill, and player and parent/legal guardian commitment. Team training begins about August 1, 2010 for all age groups and continues 2-3 times per week until the end of May (and perhaps into June for State Cup teams) for all players of middle school and elementary school ages. GSA teams with high school age players train until the end of October (when the high school season starts), may train intermittently during December (if scheduled to play in a competitive Holiday tournament for the club), and resume training in February (after completion of high school season) until the end of May (or completion of State Cup). Younger teams without holiday tournaments will break from Mid Nov to Mid January.

Competitive teams will have a head coach paid from club fees and may have additional training sessions from the Director of Coaching (DOC) or guest trainers arranged by the DOC. Goalies may also have specific goalie-related training sessions. Costs for player training, field mortgage, soccer equipment, field lining, coaches' training/licensing, player registration, club computer software/hardware, website expense/maintenance, and club marketing, are included in the basic club fees.

The club fees do not include team fees, uniform fees, referees, tournaments and travel fees. The club fees per player will not fully cover the cost of the Director of Coaching or Jonesville Park Development. These additional expenses will be funded by separate fundraising activities (ie. hosting tournaments, concessions, sponsorships, auctions, etc).

If a player chooses to stop playing during the season of 2010-2011 for his/her GSA team prior to June 2011 for any reason other than an injury, the parent/player will not receive any partial refund for the remainder of the soccer year unless extraordinary circumstances are approved by the GSA Board.

The GSA club fees for the 2010-2011 seasons are \$750 per player on State Cup/Region Cup level teams (U13-U18) and \$750 per player for Region Cup level teams (U8-U12). The \$250 deposit collected on June 10, 2010 will be used to hold a spot on the team. Individual team fees are separate from club fees.

Partial club scholarships/work opportunities are available by completing a scholarship form that can be found on the GSA website www.gainesvillesoccer.org/forms.htm under forms.

In addition to the above financial responsibilities, all parents or legal guardians of competitive level players will be responsible for a minimum of 12 service hours per year; or, if unable to do so, may donate to GSA @ a rate of \$10/hour for the hours not completed (Maximum required donation would be \$150 per year and will be tax deductible).

All players will be responsible for 6 service hours per year, which may include but is not limited to work at Ronald McDonald House, Top Soccer Program, Refereeing or Coaching in the GSA Recreational Program or Field/Concession work.
